

HashMap

```
graph LR; subgraph HashMap; Mary --> A0_5[0~5的累加器]; Bob --> A5_10[5~10的累加器]; end;
```

The diagram illustrates a HashMap structure within a rounded rectangle. On the left, the text 'HashMap' is followed by a large curly brace. To the right of this brace are two entries: 'Mary' and 'Bob'. Each entry has a horizontal arrow pointing to a smaller curly brace. From the top of the 'Mary' brace, an arrow points to the text '0~5的累加器'. From the bottom of the 'Mary' brace, an arrow points to the text '5~10的累加器'. From the top of the 'Bob' brace, an arrow points to the text '5~10的累加器'.

Mary

0

0~5的累加器

5

5~10的累加器

Bob
